

Hello!

Im Nicholas Murphy

nicholasmurphy2000@gmail.com

1420 Chouteau Ave. 63103 St. Louis Mo

(324} 517-3931

Objectives

To be the next prodigy of science and mathematics. I don't want to be Albert Einstein, but i want to be better. I plan on majoring physics. But i'm not going to stop there. I plan on moving to astrophysics, then theoretical physics. I've been studying and mapping out my road ever since I was a kid. I can guarantee you it's going to happen.

Education

Lift for Life Academy

June 2019 High School Diploma

- Entry Level Web Design
- Entry Level Hardware and Networking
- Valedictorian
- Varsity Soccer team
- Entry into College Bound Program
- Entry into Wyman Teen Leadership Program
- Entry into UMSL Bridge Precollegiate Program
